EDITOR'S NOTEBOOK

Dear Archie Readers,

Have you started thinking about plans for your summer vacation? If you haven't, I'll bet your parents have. I'm sure they want you little darlings to have a great summer. In fact, if they need some suggestions for keeping you busy on your vacation, how about some of these (you may choose one or more):

1. A JOB IN A BAGEL STORE. THERE'S A LOT OF DOUGH TO BE MADE.

4. DELIVERING GROCERIES. EXCELLENT TRAINING FOR THE OLYMPIC WEIGHT LIFTING TEAM.

2. DELIVERING NEWSPAPERS. IT WILL HELP TO IMPROVE YOUR PITCHING ARM.

5. HELPING WITH HOUSEHOLD CHORES. YOU'RE BOUND TO CLEAN UP.

3. BABYSITTING IS ALWAYS GOOD. ESPECIALLY IF YOU'RE THE OLDEST OF FIVE.

6. READING ARCHIE'S VACATION SPECIAL #5 AND OTHER ASSORTED ARCHIE COMIC BOOKS. THIS CAN BE DONE IN COMBINATION WITH OR WITHOUT ANY OF THE ABOVE.

ARCHIE'S VACATION SPECIAL #5 is a Giant-Sized 48 Page Special, scheduled to go on sale in June. If you think summer vacations are a problem, wait till you see what happens to Archie in a story we call "Wish You Weren't Here." When Archie turns in his year end assignment late, Ms. Grundy says he must write a thirty-five-page report on why homework assignments should be handed in on time. Meanwhile, Archie's pal Jughead wins a trip to Dipsy World in Florida and invites Archie, Betty and Veronica along as guests. Will Archie put off his assignment and go on the trip ridden with guilt? Or will he put off for tomorrow what he should do today? This question will undoubtedly haunt you all of your waking hours and while you sleep. Look for your copy wherever you buy your comics, or look for the convenient offer in this book.

Another great issue to look for in June is VERONICA #66. I've been receiving a lot of letters asking to see Veronica do some traveling. Well, here she goes.....south..... to Argentina. However, Veronica has to watch her step in this tale of the "tango," when she falls for a pretty senorita's handsome male dance partner. This story is entitled "Down Argentine Way." Pretty clever, huh? There is a catch. This is part one. Part two, the conclusion, will appear the following month in Veronica #67.

Please write your letters, good, bad or otherwise to: Victor Gorelick, Editor
ARCHIE COMIC PUBLICATIONS, INC., P.O. Box 419, Mamaroneck, NY 10543-0419

Horses

There are over a hundred breeds of horses around the world. Some are Thoroughbreds, Arabians, Clydsedales, and quarter horses. Horses do not just

range in breed but also in color, markings and size. The colors of a horse can range from almost white (gray) to a gold color (palomino) to a jet black. There are over 18 different coat colors. Sometimes a breed is made up of horses of all the same color. The markings of a horse are also important. Markings can range

from a stripe of white on the face (stripe or blaze) to a white mark on the foot (sock or stocking). The average horse is 16 or 17 hands tall (64-68") from its shoulders (withers) to the ground. A hand is 4 inches. Horses can be fun to ride, but there can also be a lot of work in taking care of them.

Philippines
How an Oyster Makes a Pearl

Sometimes a little grain of sand gets inside the shell of an oyster. The sand rubs against the body of the oyster. To stop the rubbing, the oyster wraps the sand in layer after layer of the same shiny coating it makes to line its shell. We call this coating "mother-of-pearl". Slowly, the bit of sand is wrapped in so many layers that a little ball forms. The ball is a pearl!
